To Editor OF NEWS SUN

We are so grateful to the readers of NEWS SUN for their support of the collection Help Them to HOPE. Most Blessed Trinity parish through our Community Social Services has received a generous donation to continue our programs. Our four social services meet the needs of this Waukegan community. The Food Pantry and Soup Kitchen on 8TH St. will use the money to buy food from Northern Illinois Food Bank. They are open all year to serve those in need. In addition House of Peace is our domestic violence center serving mothers and their children. We welcome the money to support the various needs of the families, i.e. food, toiletries, arts and crafts, and special events. The Fr. Gary Graf Center will use the funding to support our computer and Spanish literacy classes. We will pay for educational materials and will print a new computer book written by our teacher. This community center is open 6 days a week offering various educational programs for adults. Help Them To Hope helps us all with these vital services to our community. Thank you very much to the donors.
