Help Them To Hope Inc.  
Letter to the Editor  
P.O. Box 364  
Gurnee, IL 60031

Dear Editor,

Thank you for generously supporting Beacon Place through your donations to Help Them To Hope Inc! Your support enables us to do so much for the children and families in our community!

Our success at Beacon Place is because organizations like Help Them To Hope care so much. We believe that at Beacon Place, everyone has the chance to BE something more. Our programs continue to grow because those we support can see the change happening in their children, their family and their community.

Your support makes change happen. You have helped to turn hope into dreams, and dreams into realities. You have made individual children, families and this entire community stronger and the promise of a brighter future, a reality. We couldn't have accomplished all that we have without generous donors like you, and we thank you for continuing to help our students and families BE more!

With great gratitude,

Germain Castellanos  
Executive Director, Beacon Place
