To the Editor of the Lake County News-Sun

We are very grateful to Help Them To Hope for their continued support of Most Blessed Trinity Parish Social Services. Our Social Services have received a generous donation to our programs again this year.

Our two Social Services meet the needs of the surrounding Lake County communities. The Food Pantry and Soup Kitchen on 8th St. in Waukegan will use the money to buy food from Northern Illinois Food Bank and a new storage freezer to replace a failing one. They are open year-round to serve those in need. Help Them To Hope helps us all with these vital services to our community. Thank you very much to the donors.

Fr. Tim O'Malley
Pastor
Most Blessed Trinity Parish
