Gurnee, IL 60031

Dear Ms. Halston:

Thank you for the generous donation from Help Them To Hope, Inc. to Catholic Charities of Lake County. It is an honor to be among this year's recipients.

As requested, the contribution is to help the less fortunate in Lake County. To that end, Catholic Charities assists Lake County individuals and families who are experiencing hunger, homelessness, or other crises, to stabilize their situation and reach their full potential. Catholic Charities of Lake County offers Family Stabilization Services that provide emergency food and housing assistance; an HIV/AIDS program that includes case management, clinical counseling and specialized nutritional services; and Family Self-Sufficiency and Housing Case Management programs, which provide clothing, food, and emergency homelessness prevention assistance.

In addition to my thanks, I also send my congratulations on Help Them To Hope's 60<sup>th</sup> anniversary year of assisting people in need. It is an impressive legacy and an important lesson for us all. When we all work together to ensure everyone has the support they need, the community is stronger. I wish Help Them To Hope many years of continued success.

Sincerely,

Kathleen A. Donahue-Coia  
Acting Administrator, President and CEO
