Dear Letter to the Editor;

On behalf of Roberti Community House, I'd like to thank Help Them to Hope and your readers for your longstanding commitment to helping those in need. Your incredible generosity and the gift from Help Them To Hope goes directly to support our underserved families we serve in Lake County.

Children like eight year old Keily, has a safe place at Roberti Community House where she can drop in with her younger siblings to share her day, play games, eat a home cooked meal in a family setting. There is no stigma or mention of poverty just a safe place they can count on. We are here year round when other organizations may be closed.

Your powerful gift has helped change the over 225 children that come on a regular bases to Roberti Community House. We'd love for you to continue to be a part of Roberti Community House as we share updates and impact. Please follow us on Facebook at "Roberti Community House"

We know there are many organizations seeking support and we thank you again from the bottom of our hearts – Help Them To Hope and your readers for making a positive and lasting impact in our underserved communities.

Warmly,

Maribeth Roberti
Executive Director
